Day 1: Maun, Jump Street: Arrive in Maun and transfer to Crocodile Camp, Our guide will give you a safari briefing. Accommodation consists of traditional thatch and brick chalets with en-suite facilities. All chalets face the Thamakalane River and are picturesquely nestled among the setting of indigenous trees and plants that are home to an abundance of bird life. The amenities at Crocodile camp include a swimming pool, restaurant and pool bar area. Our guide will transfer you back to Maun town where you visit the local Museum, Bushmen curio shops and the Crocodile Farm. On time you will be returned to the Camp. Here you are booked on a full board basis including all meals, but beverages are on client's own account. Breakfast, Lunch, Dinner.

Days 2-3: Drotsky's (Gcwihaba) Caves camping: After breakfast, we take the main tar road to Shakawe, to Tsao and to Drotsky's Caves. (This will take us 3 hrs to get to the Caves). There are very few caves of this rank in southern Africa that are as remote and unexplored. We take guided tours and there is ample artificial lighting that will guide us along the way. Here we spend 2 nights exploring the caves, climbing the hills and visiting the nearby villages. We camp at a camping site. Please Note that Drotsky's Caves is one of the remotest destinations in Botswana. Breakfast, Lunch, Dinner.

Day 4 Shakawe (Tsodilo Hills): After a hearty breakfast we break camp. Our route takes us on a drive back to the main tarred road at Tsao. Here you will be transferred by charter flight to Shakawe. We visit the museum; take a local

community tour, the community project with the San people. We spend the evening enjoying a traditional bush braai (barbecue) at the boma (around the open fire). Traditional dance performance. Overnight at Shakawe in a lodge.

Days 5-6: Tsodilo Site Visit: We drive to Tsodilo by road (70km). Tsodilo Hills is one of the most rewarding destinations in Botswana. Apart from well-preserved rock paintings, the scenery is beautiful, the sunsets spectacular and there is even more wildlife to be enjoyed. The most unique thing about the hills is the sense of mystery that surrounds it.
